Hi Barry,

Words fail me when I look back at last night's event. You are a Godsend and the golf industry will remain eternally indebted to you for your dedication and passion.

We all understand that times are incredibly tough but as the great RG Fall said: "It may be a long hard road, but cheer up! It only lasts a life time!" You are living proof of this kind of endurance and I'm sure RG is proud of you today!

Dear Dorian and Barry,

Just a short note to congratulate you both on an extremely entertaining and successful induction dinner last Wednesday. Colleen and I enjoyed ourselves tremendously, not the least of which was to see old (or should I more discreetly say "long term) friends from golfing times past.

Look forward to running into you both again sometime soon. And certainly look forward to visiting the museum when it opens in March.

Best regards
Mike Millard

Dear Barry

A belated yet non-the less sincere thank you for a wonder day and evening on the 23rd of December at Oubaai for the launch of the Southern African Golf Hall of Fame. The Golf Day was a lot of fun! The evening itself was fantastic and I thought very personal in terms of the speakers and their introductions and acceptance speeches.

It was a privilege to be there and of course we were proud to have produced a magazine which I think everyone can be proud of (even if under difficult financial conditions)- thank you.

Thanks you for your hospitality and I know we can help take the SA Golf Hall of Fame from strength to strength.

Well done on all your hard work and I hope you got to have a few days off and recover!

Kind regards

Hi Barry,

I trust you had a nice rest following that amazing event. It was the most entertaining and historical event in the history of black tie functions. This is not just my opinion, but that of two inductees I spoke to following the dinner.

I wish you the best of luck with the opening of the museum later this year. Thanks again for everything and I look forward to spending more time with you in the future.

Regards,

Harley Henning

Hello Barry,

I just wanted to congratulate you on the very successful launch and first Induction for the SA Hall of Fame. I have just read the article in the Compleat Golfer which was marvellous, watched the digimag that you sent over and seen the photos and dvd of the Gala evening.

I am sure that Retief will continue to support all the great work that you are putting into the project and once again, many congratulations.

With kind regards,

Angela Jones

Vice President, IMG Golf

Hi Barry

I trust that you are resting and enjoying the fruits of your marvelous efforts today and that you can breathe a long sigh of relief that the event was a success.

I would like to compliment you on the initiative and for arranging an event of such magnitude single-handedly and I am certain that this will be a superb success story in South African golf history. Based on the feedback that I got from the pro golfers on the Sunshine Tour, it is certain to succeed.

Barry,

Congratulations and thank you very much the opportunity to work with you in establishing the SA golf hall of fame - whilst many will look on your efforts as a labour of love, I firmly believe that the legacy you are leaving for all golfers in southern africa will not go unrecognised.

It has been an honour and a priviledge to support the initiative and we will continue to do so for many years to come

Kind Regards

Simon Hudson
